

COLOR THE GRAPH!

Grab some colored candies from your teacher and some coloring materials. Start grouping the candies by color. When finished, count them and create a bar graph matching the number of candies and their color.

CANDY CROSSWORD

Down

1. Cadbury
2. Worms

Across

1. Chuba Chup
2. Laffy
3. Gobstoppers
4. Hubba Bubba

Is it More or Less?

Learn the concept of more and less.

Instructions: Color the fruits in the right column. If there are more fruits in the right column than in the left, color them red. If there are less fruits in the right column than in the left, color them blue.

**Write a story
based on your the
Scenario Below
But include
product
placement with
your favorite
Sweet**

*The main character
wakes up to a seemingly
normal day. She gets up,
heads to the bathroom,
then washes her face. But
the reflection she sees is
her love interest's. Turns
out her mind is now
inside her love interest's
body. Continue the story.*
